

Ordering Information

To order a knife, complete the **Order Forms**. Fill in the information as to model, handle material, options and customer information. Then return one form to me. I will transfer the order to my computer files and send you a copy with an estimated delivery date. Current delivery time is _____ months.

Prices are subject to change without notice.

No deposit is required, nor will any be accepted. But once your knife is completed, the total amount due must be paid before the knife is shipped.

If you have any questions, please call me. I can not accept collect calls, and the best time to catch me is between 6 and 9 pm. Sometimes a quick call can clear up any questions.

You can always email me at: contactbill@billluckettkustomknives.com

“If you are pleased with the knife that you purchased from me, tell your friends. If for some reason you are not happy with the knife, then please tell me. I will do everything that I can to solve the problem including refunding your money!”

NOTE: I try to build some special **“One Of A Kind”** knives, usually one or two a year. If you are interested in purchasing something special, then please contact me and see what I might have.
